# THE VISITOR

Lots of learning and fun took place during our At-Home Vacation Bible School this year! VBS Backpacks were delivered to 26 children of our church and community. In this 3-Day VBS through lessons, activities, and crafts, they learned about Moses parting the Red Sea, freeing the Israelites from Egypt; the story of David and Goliath; and the Meaning of Prayer, using the model prayer Jesus taught His disciples --The Lord's Prayer.

We want to remember these children as they continue to grow in the faith and experience the love that God has for each of them. These are some pictures of our children as they participated in our 2020 VBS! - *Tim*

## As Way Leads On To Way

“Speech has power. Words do not fade. What starts out as a sound, ends in a deed.”

– Abraham Joshua Heschel

Words have the power of deeds. Deeds of nurture. Deeds of encouragement. Deeds of hope. Deeds of justice and righteousness.

Words have the power of deeds. Deadly deeds. Threatening deeds. Fear-inducing deeds. Criminal and sordid deeds.

We can say and write what we will. Anything. And with social media, we can spread words with the drop of our fingers. In some instances, we are made responsible for these wordy deeds.

It seems some people will not be held responsible for what they say, the damage they do. At least, in these tiresome days, it seems to be so. A reckoning feels a long, weary ways off.

We cannot wait to arrive at a reckoning. If we wait, it will be too late for those who are receiving the hard blows of words. Their reputations, their hopes, their opportunities to live in health and joy will be crushed unto death. In these days, silence equally bears the power of deeds. Silence is complicity. It lifts no weight and provides no shield for the wounded.

We must choose the words we embrace. We must choose the words we speak. It’s a matter of life-and-death. It is a matter of deeds. ~ GT

## New Communion Mobile Food Pantry

In August, PCC delivered 84 cans of corn, 96 cans of beans and 100 cans of soup to the Pantry. Thank you to Dan and Sharon Binkley for sponsoring August’s effort.

### September Sponsors: Bill and Betty Simpson

Support for New Communion involves sponsors making financial contributions of \$100 per month. Thus far, I’ve signed up a different household for the months of August - February. If you would like to take on a month as a household (or in cooperation with other households) simply call me and I’ll put you down for a future month. You should make your check out to Pfafftown Christian and write “New Communion” on the “for” line. ~ GT

### Update on PCC as a Wi-Fi Hotspot

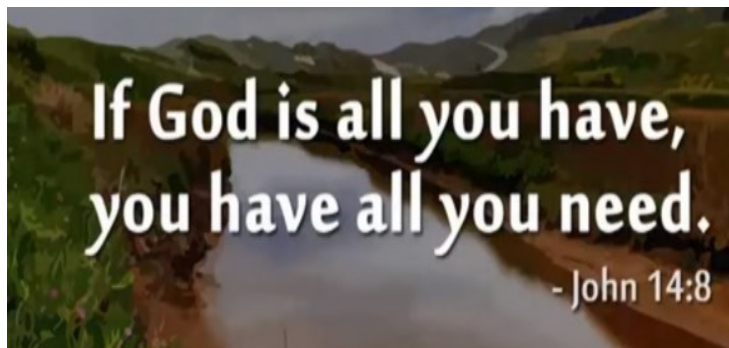

The Board has authorized investigating providing Wi-Fi access at our church to students who are distance learning but do not have access to Wi-Fi. At this time, schools have not expressed a need for this service.

### Pastoral Care

During this season, if you should have a need (such as someone to pick up medications or food and drop them at your door) or would simply like to talk during this time, do not hesitate to contact one of the persons listed below.

Living and Growing Through Grief*

By John Claypool

“John R. Claypool had been a pastor for almost two decades, ministering to others who suffered through the loss of loved ones, when the loss came home in the death of his eight-year-old daughter, Laura Lue. This is the story of Claypool’s own journey through the darkness, written through four sermons. The first was delivered just eleven days after his daughter’s diagnosis of leukemia, the second after her first major relapse nine months later, and the third weeks after her death. The final sermon a reflection on the process of grieving was preached three years later.

The PPP Loan \$17,445 that was received in June covered our fiscal year deficit

One of the greatest needs in human life is to know that *you are loved*. Each one of us has to feel certain, deep down in our hearts that someone loves us, cares for us, and has our best interest at heart. God designed us to have that emotion. He wants us to know that He loves every one of us with a passion intensity too deep for words. We experience His love when we willingly surrender to His call to be our Savior, Lord and Friend. There are at least three reasons God seeks our surrender:

- \* He loves us and desires our fellowship and worship. As long as we hold back something from Him, we cannot know Him completely or fully experience His love. When we surrender to Him, we get **ALL** of Him.

\* He wants our service for Him to be effective and fruitful. The more we know and love Jesus, the more effective our service will be. The closer we draw to God, the more impact our lives will have. The more energetically we nurture our relationship with Him, the greater the positive mark we will leave behind.

\* He wants for the freedom to bless us. God draws us to Himself so we can experience His love and forgiveness. He asks for our willing surrender so that He can give us the best blessings He has to offer. When you accept Jesus Christ as your Savior, He will not only forgive you but He makes you into a new creature. We are no longer standing at a distance from Him, but we are able to draw near to Him. Whenever we feel like we have grown distant from Him, all we need to do is pray that He will draw near to us once more and He will. He already knows our weaknesses and if we tell Him to take control of our lives, He will come to us in a mighty way and bring hope and light and reassure us that we are His and He has the perfect plan for our lives and that we are truly loved beyond any measure.

## Notes from Tim

### Great is thy Faithfulness

*I will declare that your love stands firm forever, that you established your faithfulness in heaven itself.*  
--Psalm 89:2

The Scriptures abound with declarations that God is faithful. Since we live in a world that is constantly changing it is reassuring to be reminded of the faithfulness of God. It may seem to us at times that God has forgotten us. David sometimes experienced such a doubt but then admitted he had spoken in haste. We must remember that God works on His own timetable and just because we do not see immediate evidence of His promise being fulfilled it does not mean He has forsaken us.

No matter how bleak our future may appear we can be assured that God's promise is certain when he says, "I will never leave you nor forsake you." In spite of your sufferings and trials you can have confidence knowing that He will be with you and even use the difficulties to teach you and draw you closer to Him.

Because of God's faithfulness we can have bright expectations! He will not let anything separate us from Him. He is keeping us by His power. Having begun a good work in each of us. He will not abandon it but will bring it to consummation so that one day we will be safe at home to live with Him forever and ever! Surely we can lift our hearts in praise as we sing that beautiful hymn—

*Great is Thy faithfulness, O God my Father;  
There is no shadow of turning with Thee;  
Thou changest not, Thy compassions, they fail not;  
As Thou hast been, Thou forever will be.*

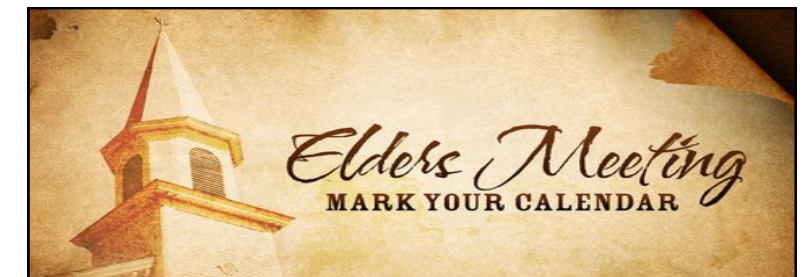

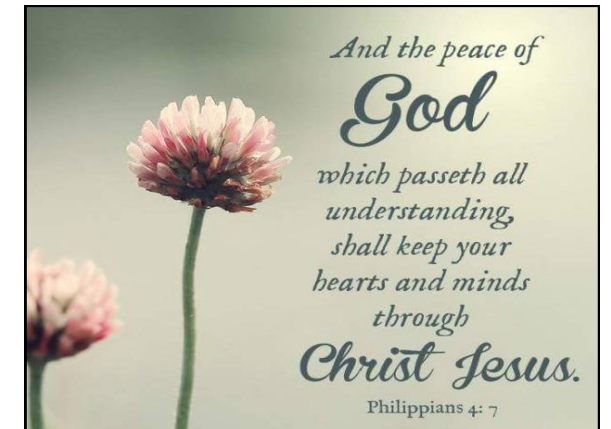

*Summer and winter and springtime and harvest,  
Sun, moon and stars in their courses above  
Join with all nature in manifold witness  
To Thy great faithfulness, mercy and love.*

*Pardon for sin and a peace that endureth  
Thine own dear presence to cheer and to guide;  
Strength for today and bright hope for tomorrow,  
Blessings all mine, with ten thousand beside!*

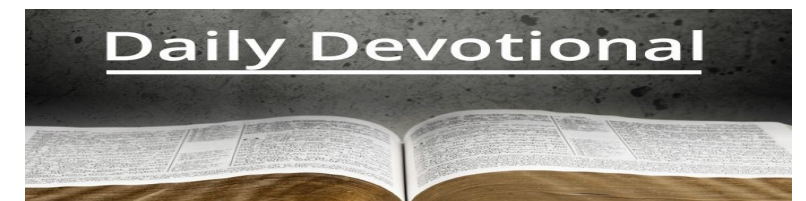

Grace and peace to you. Tim

Dear Pfafftown Christian Church,  
 My name is Debbie Lunsford and I had lost my cat at Pfafftown Vet on June 29th. I had spoken to the minister this summer and gave my flyer. I’m very happy to let you know that I got her back last Thursday, August 13th. I wanted to tell you how grateful I am to have had your grounds to search for her. It gave me hope in a difficult time. A place to go. The gardeners were so friendly and helpful. I just thought I’d let you know what comfort it gave me.
